FINANCIAL POLICY

Thank you for choosing Kinsler Family Dentistry for your oral health care needs! Our entire team is dedicated to helping you achieve and maintain long-term dental health and a beautiful smile by making every effort to provide treatment plans that fit within your budget. We accept cash, personal checks, Visa, MasterCard, Discover, and American Express. We are also pleased to offer our patients the CareCredit® card, North America's leading patient payment program. CareCredit lets you begin your treatment immediately, then pay for it over time with low monthly payments that fit easily into your monthly budget. All financial arrangements must be completed prior to the procedure being completed.

Patients with Dental Insurance

Kinsler Family Dentistry will file dental insurance claims as a courtesy to our patients. In order to benefit from this service, I agree to provide updated insurance information prior to each appointment or upon request. I understand that I am responsible for any applicable deductibles and/or estimated patient portions of fees at the time of service. I authorize payment for services rendered to be paid by any third party; including, but not limited to, insurance carriers directly to Kinsler Family Dentistry.

As the contractual obligation with the insurance company is between you and your insurance carrier, we do recommend you make yourself familiar with your insurance benefits prior to visiting the office. We will work hand in hand with you to maximize your insurance reimbursement for covered procedures, however Kinsler Family Dentistry is not responsible for how your insurance company handles claims or for what benefits are paid or unpaid on a claim. Our office can only assist you in **estimating** your portion of the cost of treatment. We at no time **guarantee** what your insurance will or will not do with each claim.

Patients without Dental Insurance

Full payment is required at the time of service unless prior financial arrangements have been completed.

Delinquent Accounts and Fees

Delinquent accounts will be required to pay all past due balances in full prior to receiving new treatment or incurring new charges for services or products. All future charges for services or products must be paid at the time services or products are rendered. A service charge of 1.5% per month (18% per year) on the unpaid balance or $4.00 rebilling charge, whichever is greater, will be applied to accounts exceeding 60 days past due. A $40.00 charge will be applied to all returned checks. I agree to reimburse Kinsler Family Dentistry for all costs and expenses including attorneys fees and court fees, incurred in our collections efforts. In the event of a suit, I agree the venue shall be in Clinton County, Indiana. I acknowledge that any demographic information provided by me, including home and mobile phone numbers, may be used to contact me for any purpose, including collections efforts.

Custody Agreements

The parent/guardian that brings the dependent child to the dental visit will be the responsible party for paying all fees incurred on that date of service. If there are unpaid balances, this parent/guardian will be held solely responsible for any balances and/or fees related to that date of service. Kinsler Family Dentistry will not be responsible for or take any part in communicating with the other parent/guardian to resolve issues related to appointment scheduling or payment.

Appointments, Timeliness, and Communication

We are committed to seeing you on-time and request that you arrive on-time for your visits. Please remember that appointments are reserved specifically for you, and that short notice cancellations result in lost opportunities to get other patients scheduled. We request at least 24 hours prior notice be given if an appointment needs to be rescheduled. If appointments are missed or rescheduled without 24 hours' notice, you may be charged a fee. A pattern of missed appointments (no shows) and/or short notice cancellations (less than 24 hours) may result in a limitation to schedule same-day appointments only, up to and including dismissal from our practice.

I hereby certify that I have read, understand, and agree to all content within the Financial Policy as stated above:
